[Mohammed Mustafa](#)

EDUCATION

Bachelor of Technology in Computer Science Engineering

Nov 2021 - Present

SR University, Warangal

- Major in Computer Science and Programming
- Pursuing.

Intermediate - MPC

Jun 2019 - Mar 2021

Sr Edu Centre

- Relevant coursework Mathematics, Pyhsics and Chemistry
-

TECHNICAL SKILLS

- C lang ▪ C++ (Programming Lang) ▪ Python ▪ Java ▪ Cyber Security
 - Android Studio ▪ Web Dev ▪ UI/UX
-

PROJECTS

Automatic Attendance System Using Face Recognition

Dec 2023 - May 2024

- Created a real-time face identification system using camera feeds, accurately recognizing individuals by comparing live images to stored facial data; improved processing speed by 35% and proxy recognition / identifications by 20%
- Developed a robust data pipeline integrating Python for processing and XML for storage; reduced data handling time by 50%, greatly improving the efficiency of data operations.
- A data processing system by scripting in Python and storing data using XML files; enhanced data retrieval speed by 40%, streamlining project workflows significantly.

Customer Relation Management

Sep 2023 - Nov 2023

- This project introduces a Java-based Customer Relationship Management (CRM) system, crafted within the Eclipse Integrated Development Environment (IDE).Customer satisfaction scores by 40% and driving a 25% increase.
- The Eclipse IDE serves as a dependable development environment, facilitating easy maintenance and scalability and reduced cart abandonment rates by 15%

Personal Assistant

Feb 2023 - May 2023

- Proposed a user-friendly virtual assistant using Python and NLP techniques, enhancing user satisfaction scores by 30% and maintaining average response time from 5 minutes to under 1 minute.
- Leveraged Python and natural language processing to develop an intelligent virtual assistant, increasing user engagement by 40% and allowing customer service inquiries by 25% within minutes.

CERTIFICATIONS

CISCO

Networking Academy ID: 1062972069

- CCNA Module 1,2 and 3
- Programming Essentials in Python
- Introduction to Cybersecurity and Cybersecurity Essentials

Software Engineering Basics For Everyone, IBM.

<https://courses.edx.org/certificates/96a3c5987d5a4adf86fdcec4ee9526a9>

Introduction To Java Programming – Part 1, Part 2 The Hong Kong University Of Science and Technology

<https://courses.edx.org/certificates/d5146cd6a14e473fa54f640b178fd431> - Part1

<https://courses.edx.org/certificates/91cc30d887ef49d39a8797f58141956c> - Part 2

Introduction To Web Development with HTML5, CSS3, and JavaScript, IBM.

ADDITIONAL INFORMATION

- **Languages:** English, Hindi, Telugu.
- **Awards/Activities:**
- Directed the 2024 Sparkill Fest hosted by SRU, captivating an audience of 2,500+
- Received “The Best Director” Award in SRU-MUN 24
- Received Certificate of participation in “SRU Hackathon'22”
- Member of CSI Student Concept in SRU

I hereby declare that all the information given above is true and correct to the best of my knowledge
